

### **Scam Alert – Stay Safe When You Remit!**

1. We never give you a call from local or overseas numbers asking you to register for refunds, lotteries, or rebates.
2. We never ask for your personal information, such as your banking ID, passwords, card details, or credit card information.
3. We never ask you to transfer funds into an unknown bank account. Our official bank account details are only shared after you create a transaction request. Apart from this account, we will not be responsible for funds transferred into any other account / third-party accounts.

If you ever get a call claiming to be from us asking for your personal banking information, such as your credit/debit card details, net banking codes, passwords, or OTP, please disregard it and report it to us at our hotline number or reach out to us via email. You can find our email address and contact number on our "[Contact](#)" page.

Our only service is to facilitate our customers who want to remit money overseas to their family, friends, associates, and loved ones. Apart from this, we do not facilitate any other service.

Don't Fall for Scam. Transact Responsibly!

Thank you.
